To whom it may concern,

I found some mistakes in my pre-primary that need to be amended and they are as follows:

Schedule A direct contributions shows \$13,100.00 when it should have been \$14,070.00 which would change the total receipts to \$14,121.00. Expenditures show \$5,724.69 and it should show \$4661.26. These changes impact the amount on hand which shows \$7,375.31 when it should show \$9,459.74.

This also impacts the pre-election filing in the following manner:

The amount on hand at the beginning of the reporting period shows \$7,375.31 but should show \$9,459.74. Schedule A direct contributions shows \$6,840.00 and should show \$7090.00. Total receipts shows \$6840.00 but should show \$7090.00. This would change the amount on hand at the close of this report from \$9,553.09 to \$11,887.52.

I also noticed that CWA-COPE PCC was listed twice on the pre-election form and it should have only been listed once.

I apologize for the errors I was using the program I down loaded from the website and for some reason the numbers did not add up correctly (with the formulas in the program) and I did not check them manually at the time.

I am sending the corrected summary pages for the pre-primary and pre-election as amended.

If you have any questions or concerns please call me at 605-838-7234.

Thanks for your assistance on this very important issue.

Jeff Winters
